

# How to Be a Trainer

A 2 day event that integrates facilitation and practical activities to enable you to become a fantastic facilitator

## Duration:

2 Days

## Who is it for?

This workshop is designed for those individuals who wish to develop their ability in delivering a training activity and present effectively to an audience.

*"I loved how you get two facilitators working with you. I received feedback from two experts in the fields - their focus on my development was incredible - it is genuinely the best training I attended!"*

**Ahmed A.  
Head of Talent**

## Workshop Outline

This workshop provides delegates with a clear and robust exploration of the skills and knowledge that are needed in order to deliver an engaging training session.

Through a mixture of demonstration and practical activities delegates will develop their confidence and enhance their training style. It also supports learners to recognise what makes a fantastic learning event and their role as facilitators. During this event learners will be able to practice the facilitation skills they learn for increased learning retention.

## What will you learn by attending?

- Understand what makes effective and engaging training and explore your own training styles
- Overview of ways to create rapport and a positive learning environment with delegates
- Practice of a wide range of training techniques to deliver clear and well-structured content
- Ways to adapt your approach to unique learner needs and respond to typical challenges in a training session
